

YEAR OF ESTABLISHMENT 2014

ABOUT US

ARE THE MANUFACTURER OF ELECTRONIC

Arise Construction Equipments is a leading manufacturer of high-performance mobile light towers, built for reliable lighting in construction, mining, events, infrastructure, and emergency situations. Our towers offer powerful illumination, fuel efficiency, and durability, ensuring performance even in the toughest environments. With a focus on innovation and quality, we deliver both standard and custom lighting solutions to meet diverse needs locally and globally.

ABOUT US

Established in the year of 2014, we "Arise Construction Equipments" are the Manufacturer of Electronic Traffic Message Board, Mobile Lighting Tower, Portable Area Lighting System etc. We direct all our activities to cater the expectations of customers by providing them excellent quality products as per their gratification. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers.

For our accomplishment story, we are grateful to our Mrs. Santosh Devi, whose continual backing and direction have been useful to us for attaining exponential development in the current market.

OUR VISION

ARISE MOBILE LIGHTING TOWER/ PORTABLE EMERGENCY LIGHTING SYSTEM

Our vision is to provide innovative, world-class, construction equipment backed by technically competent serving capabilities, with the prime motive of satisfying each and every customer beyond the expected levels of business excellence. We intend to be the largest selling construction manufacturing company beyond boundaries by adhering to world class standards through strong R&D efforts, sophisticated manufacturing equipment, strong after sales support and vast global reach.

OUR MISSION

ARISE MOBILE LIGHTING TOWER/ PORTABLE EMERGENCY LIGHTING SYSTEM

We are backed by a team of efficient and professional members who are well versed with the process of our manufacturing methods. Our presence in the industrial market for such a long duration has helped us to introduce new mechanisms that help in increasing the output of our range of machinery. Our mission is growth through innovation and ideas. We believe in building successful long term relationships with our customers by offering integrated solutions and services exceeding their expectations! It is our endeavor to grow continuously and offer better services to our customers.

OUR TEAM

It has been possible for us to make our name known in the specified domain, backed by our team of diligent experts. We have employed professionals with years of experience in the specified domain. These employees are appointed after performing stringent selection procedures and thus, make significant contributions in conducting the organizational tasks. Divisions have been made at team level to keep the working procedures hassle-free and convenient.

QUALITY ASSURANCE

Throughout our modest journey, we have been focused on delivering a qualitative range of products in the form of construction machinery. For this, we regulate the whole manufacturing procedure as per the industry set norms. We source our raw materials from the certified names in the industry and after several quality check measures, these materials are used in the production process. We assure our customers qualitative offerings, backed by our stringent working and business procedures. Achieving and maintaining optimum quality standards has always been our prior target and we feel proud in executing our planned strategies, resulting in a flawless range of products.

ACE B -01

At Arise Equipment, we pride ourselves on delivering high-quality, energy-efficient lighting solutions that stand the test of time. Our LED Flood Light is designed to provide exceptional brightness, durability, and performance for a wide range of outdoor and industrial applications.

- ▶ Rechargeable Battery
- ▶ 5000 lumens Brightness
- ▶ 50 W Light Power
- ▶ 1-2 Meter Tower Height
- ▶ 12 Volts Battery
- ▶ 8- 9 Hours Battery Backup
- ▶ Telescopic MS Rode Tower
- ▶ 10Kg Approx Weight

ACE B-02

Arise Equipment offers high-quality LED Flood Lights designed for powerful illumination and energy efficiency.

We recently installed 2 high-voltage LED lights, each with a brightness of 10,000–15,000 lumens and power of 50W x 2 units.

- ▶ 50AH X 1 (Lithium) Battery Capacity
- ▶ 12 Volts Battery
- ▶ 10000 - 15000 lumens brightness
- ▶ 6-8 Hrs Battery Backup
- ▶ 50 W X 2 nos. Light Power
- ▶ Telescopic MS Rode Tower
- ▶ Waterproof
- ▶ 25 Kg Weight

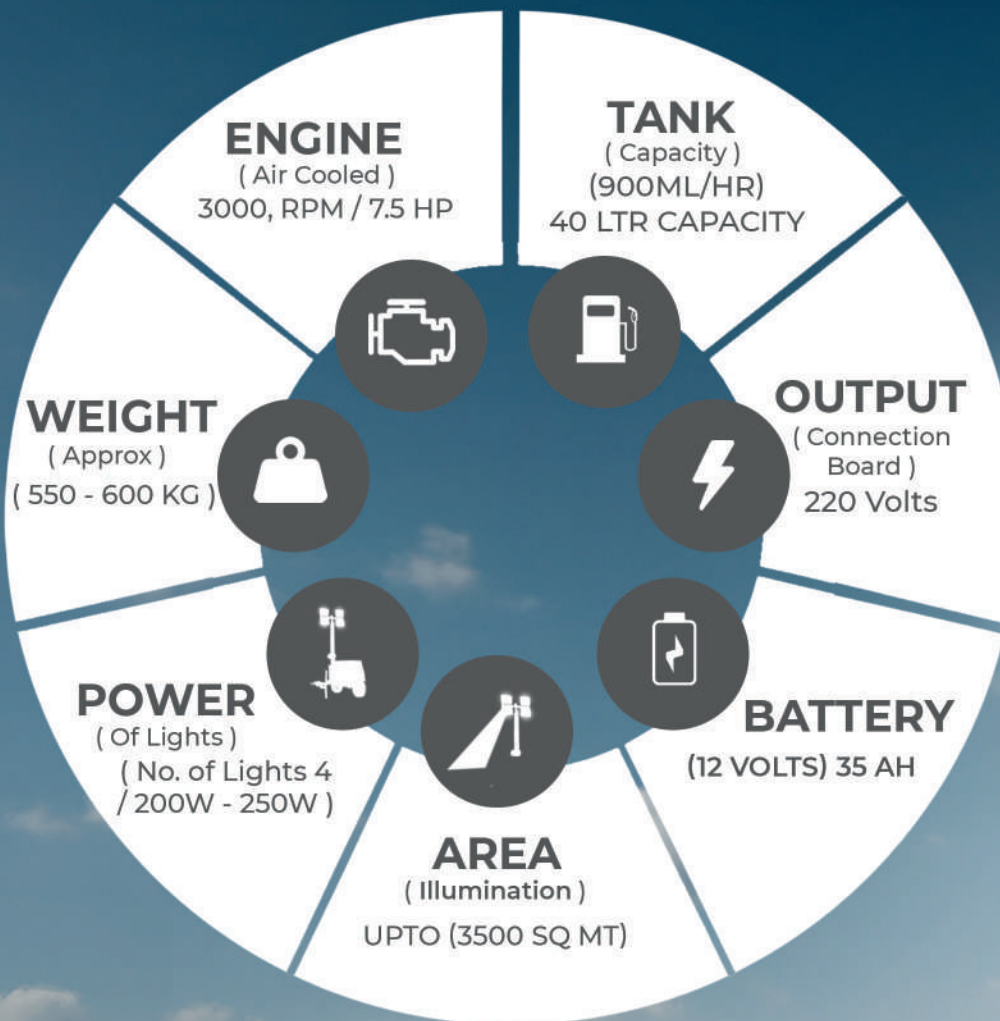

ACE B-04

Arise Equipment provides high-quality LED Flood Lights for powerful, energy-efficient lighting. We recently installed 4 high-voltage lights (50W each) delivering 10,000–15,000 lumens of brightness. Ideal for outdoor and industrial use, these durable lights offer wide coverage and long-lasting performance.

- ▶ 70AH X 1 (Lithium) Battery
- ▶ 12 Volts Battery
- ▶ 6-8 Hrs Battery Backup
- ▶ 50 W X 4 nos Light Power
- ▶ Telescopic MS Rode Tower
- ▶ 30 Kg Weight
- ▶ Waterproof
- ▶ 2 Meter Tower Height

ACE LT 6000

LIGHTS

Arise Equipment Company proudly presents its advanced LED Flood Light solution – engineered for maximum brightness, energy efficiency, and durability. Recently, we completed the successful installation of **6 high-voltage LED Flood Lights**, delivering a combined **luminous output of 240,000 lumens (40,000 lumens per light)**. With a total power range of **400W to 420W**, these lights are designed to perform in the most demanding outdoor environments.

KEY HIGHLIGHTS

- ▶ 240,000 lumens total brightness
- ▶ Power range: 150W – 500W
- ▶ Coverage up to 3,500 sq. meters
- ▶ Superior build quality and performance

LT 12000

Without Generator Mobile Light Tower

The **LT 12000** is a high-performance mobile light tower designed for powerful illumination without the need for an onboard generator. Ideal for construction sites, outdoor events, emergency response, and mining operations, this unit delivers robust lighting while remaining compact and easy to transport.

OUTPUT (Connection Board) **220 Volts**

POWER (of Lights) **6 x 400w = 2400w**

AREA (Illumination) **3500 SQ/MTR**

BRIGHTNESS (Lumens) **40000 x 6 = 2,40,000**

TOWER (Height) **12.0 MTR**

WEIGHT (Approx) **600-700 KG**

Applications:

- ▶ Road Construction & Maintenance
- ▶ Mining & Oil Fields
- ▶ Emergency & Disaster Response
- ▶ Outdoor Events & Gatherings
- ▶ Airport & Military Operations

What’s unique about our LED Technology?

- LED Light tower lamps are built with durable aluminum casting that ensures robust protection, even during transportation.
- Equipped with high CRI (Color Rendering Index) LED lamps, scoring over 85 out of 100 for superior color accuracy.
- Advanced directional optics in the LED Light range provide exceptional light distribution.
- Each LED Light tower delivers up to 5000 m² of illumination with an average brightness of 20 lux.
- The LED lamps boast a long lifespan of over 50,000 hours.
